CHRISTINE MANFIELD PASTES AND SAUCES

We have a few new flavours in the Christine Manfield range. Christine Manfield is a very well know chef from Sydney who specializes in Asian foods and desserts. Chris has written many successful cookbooks and her restaurant is fabulous. This talented chef has created a range of pastes and sauces to make your life easier at home.

GREEN CURRY PASTE- a fabulous base to add to chicken or seafood.

HARISSA - my favourite- spicy but balanced, we love this! Add a pick me up for soups or to have with roasted potatoes and natural yoghurt

CHILLI LEMONGRASS STIR-FRY PASTE - fry in a wok, toss through noodles, vegetables or smear on prawns and wrap in spring roll pastry and fry.

CHERMOULA- a Moroccan paste to be smeared on fish or lamb, add to salad dressings, cooked lentils or eggplant salad

CHILLI JAM - an amazing condiment, serve with fried rice, fried chicken, or add to sate sauce.
